

## Fuck It - Eamon

(D)Whoa oh  
(A)Ooh hoo  
(Bm)No no no(G)

(D)See, I don't (A)know why (Bm)I liked you so much  
(G)I gave you all of my trust (D)I told you (A)I loved you  
Now that's (Bm)all down the drain  
Ya put me through pain  
I (G)wanna let you know that I feel

(D)Fuck what I said  
It don't mean (A)shit now  
Fuck the presents  
Might as well throw 'em (Bm)out  
Fuck all those kisses  
It didn't mean (G)jack  
Fuck you, you ho  
I don't want you (D)back

### [Repeat Chorus]

(D)You thought (A)you could (Bm)keep this shit from me, yeah  
(G)Ya burnt bitch  
I heard the story  
(D)Ya played me  
(A)Ya even gave him head  
Now you're (Bm)askin' for me back  
You're just another hag  
(G)Look elsewhere, 'cause you're done with me

### [Chorus 2X]

(D)Oh oh, oh oh  
Uh huh, yeah  
(A)Oh oh, oh oh  
Uh huh, yeah  
(Bm)Oh oh, oh oh  
Uh huh, yeah  
(G)Oh oh, oh oh  
Uh huh, yeah

(D)You questioned  
(A)Did I care?  
(Bm)You could ask anyone  
(G)I even said ya were my great one  
(D)Now it's (A)o-over  
(Bm)But I do admit I'm sad  
It hurts real bad  
(G)I can't sweat that, 'cause I loved a ho

### [Chorus]
