

**Give a Little Love – Paul Williams  
(From The Musical Buggy Malone)**

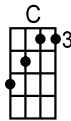

(F)We could've been anything that we wanted to be  
(G)And it's not too late to change  
(C)I'd be delighted to (C)give (B)it (Bb)some (A)thought  
(Bb)May-be you'll (C)agree that we (F)really ought  
two, three, four

(F)We could've been anything that we wanted to be  
(G)Yes, that decision is ours  
(C)It's been decided, we're (C)weak(B)er (Bb)divid(A)ed  
(Bb)Let friendship (C)double up our (F)powers

(F)We could've been anything that we wanted to be  
(G)And I'm not saying that we should  
(C)But if we try it, we'd (C)learn (B)to (Bb)abide (A)it  
(Bb)We could be the (C)best at bein' (F)good guys)

(F)Flowers of the earth  
Who can even guess how much  
A real friend is worth?  
(G)Good guys, shake an open hand)  
May-be we'd be trusting  
If we try to understand  
(C)No doubt about it, It (C)must (B)be (Bb)worth(A)while  
(Bb)Good friends do (C)tend to make you (F)smile

(F)We could've been anything that we wanted to be  
(G)Yes, that decision is ours  
(C)It's been decided, we're (C)weak(B)er (Bb)divid(A)ed  
(Bb)Let friendship (C)double up our (F)powers

(Bb)You give a little love  
And it all comes back to you  
(F) (Da da da ra da da da)  
(Bb)You know you gonna be remembered  
For the things you say and do  
(F)(Da da da ra da da da)

(Repeat to Fade)
