

**THE LIGHT AT THE END OF THE TUNNEL IS THE LIGHT OF AN ONCOMING  
TRAIN  
Half Man Half Biscuit**

She (C)stayed with me until  
She (F)moved to Notting Hill  
She (G7)said it was the place she had to (C)be.  
Where the (C)cocaine is Fair Trade  
And (F)frequently displayed  
Is the (G7)Buena Vista Social club (C)CD

I thought she'd (C)be back in 3 weeks  
And we'd go (F)wandering The Peaks  
(G7)Sojourn in my Uncle Joe's (C)ashram  
For when (C)you're in Matlock Bath  
You don't (F)need Sylvia Plath  
(C)Not while they've got Mrs Gibson's (G7)jam  
Alas (F)'m brooding alone by the (C)runnel  
While (G7)she's in Capri with her (C)swain  
And the (F)light at the end of the (C)tunnel  
Is the (G7)light of an oncoming (C)train

Well we (C)both grew up in Eyam  
And (F)strange as it may seem  
(G7)Neither of us thought we'd ever (C)leave  
But the (C)beak in Leek is weak  
And she's (F)moved in, so to speak,  
With (C)featureless TV producer (G7)Steve.  
And now it's (F)all Eva Cassidy and (C)aphids in Picardy  
(F)And so I can only (G7)ascertain  
That the (F)light at the end of the (C)tunnel  
Is the (G7)light of an oncoming (C)train

Alas I'm (F)brooding alone by the (C)runnel  
While (G7)she's in Capri with her (C)swain  
And the (F)light at the end of the (C)tunnel  
Is the (G7)light of an oncoming (C)train
