

Just as long as me – Jonathan Coulton

Intro - (G),(C)(G),(G)(D),(G)

It's a (G)sad and awful story and the (C)shorter folks won't (G)care
I'm a (G)man who's simply way to big to (D)love
Picture (G)her a tiny thing with tiny (C)ribbons in her (G)hair
Picture me a monster towering (D)above

(C)I don't care what color hair is (G)growing on her head
She doesn't have to be a sight to (D)see
(G)It don't matter if she's (C)fat or if she's good in (G)bed
Just as long as she is (D)just as long as (G)me

(G),(C)(G),(G)(D),(G)

Took an (G)ad out in the paper with my (C)picture and some
(G)prose
It said (G)tall and lonely lover seeking (D)same
Combed my (G)hair and got a shave and bought a (C)long
stemmed thorn less (G)rose
When my (G)picture ran my (D)head was out of (G)frame

(C)I don't care what color hair is (G)growing on her head
She doesn't have to be a sight to (D)see
(G)It don't matter if she's (C)fat or if she's good in (G)bed
Just as long as she is (D)just as long as (G)me

(G),(C)(G),(G)(D),(G)

Every (G)night I have a dream I'm on a (C)mountain in the (G)sky
And the (G)air gets ever thinner as I (D)climb
Then I (G)see the gates of heaven, someone (C)there has caught
my (G)eye
She is very (D)tall and finally she is (G)mine

(C)I don't care what colour hair is (G)growing on her head
She doesn't have to be a sight to (D)see
(G)It don't matter if she's (C)fat or if she's good in (G)bed
Just as long as she is (D)just as long as (G)me

(G),(C)(G),(G)(D),(G)

Just as (G)long as she is (D)just as long as (G)me
